

INTERSEGMENTAL GENERAL EDUCATION TRANSFER CURRICULUM (IGETC)

2024 - 2025

The courses listed below fulfill the lower-division general education requirements at all UC and CSU campuses.

Student Name: _____ Counselor Name: _____ Date: _____

GENERAL INFORMATION

- Transfer to the UC system consists of reaching junior status by completing **60 UC-transferable units** with a minimum 2.4 GPA, including general education, major prep, and/or electives. A maximum of 70 UC-transferable units are applied to the bachelor's degree after transfer.
- IGETC certification requires completion of all requirements passed with a minimum grade of C prior to transfer.
- IGETC certification is not a requirement for admission to most UCs and CSUs, nor is it the only way to fulfill the lower-division requirements. Meet with an academic counselor and/or visit www.assist.org for more information.
- Students planning to transfer to the CSU may elect to follow the CSU General Education pattern.
- A course must be taken during a term approved for IGETC (see assist.org) and can be used only once to fulfill an Area 1-7 requirement.
- Students whose majors require more than 30 units are encouraged to meet with an academic counselor and/or visit www.assist.org regarding the advisability of completing all major requirements instead of all general education requirements.
- Area 7 and reduced units in Area 4 are new requirements for students who began college Fall 2023 or later. Continuing students who began at a CCC prior to Fall 2023 may complete previous IGETC requirements. See an academic counselor for details.
- 2024-2025 is the final academic year to establish catalog rights to IGETC. Students beginning at a CCC, or returning after a break in enrollment, in Fall 2025 or later will be required to follow the upcoming California General Education Transfer Curriculum (Cal-GETC) requirements.
